Notes

1. Entry fees: £10 per seat, coxes free. Entries must be made through British Rowing Online Entry and all fees must be paid by the close of entries on the 25th May 2023. No refunds of entries will be given after the draw is made.
2. Times of divisions are provisional and subject to change dependant on entries received.
3. Doubling up is permitted between divisions but no doubling up of any competitor or cox in the same division. Boats and blades may be doubled up in divisions as long as provisions are made by clubs in case both boats are required to race at the same time. The organisers are not able to alter race times on the day.
4. Masters events will be held either in age category groups of no more than three age category spread, with handicap applied at the start in accordance with British Rowing Rules of Racing, or by bands based on Crew Ranking Index. This will depend on the spread of ages and CRI's of entrants. Please enter the age category the crew is eligible to compete at.
5. The Regatta will make every effort to allow competitors to race in their chosen category. A single entry for an event will be placed in the next age category or senior event for the type of boat, unless clearly indicated with entry. The Regatta Secretary will endeavour to contact the relevant club representative to advise of any event change.
6. The organisers reserve the right to reject crews for any reason in the event of oversubscription.
7. The Regatta reserves the right to limit the number of entries in an event, cancel an event or shorten the regatta course for safety or practical reasons giving as much notice as possible.
8. The draw will take place on Sunday 28th May 2023 and will appear online at <http://www.hexhamrc.co.uk/hexham-regatta> on Tuesday 30th May 2023 or shortly after. Competitor safety instructions will be available online alongside the draw.
9. In the event of the total cancellation of the Regatta, the organisers will endeavour to refund entry fees paid once unavoidable costs have been covered. In the event of a partial cancellation of the Regatta or for events withdrawn, no refunds will be made.
10. EasyRegatta app can be downloaded to show live results and progression of crews into the next round.
